FAQ

A. Criteria for Eligibility and Submission of Candidacy:

A.1. Who can participate to the 2026 Bid Round?

The following may participate :

- ✓ Pre-qualified companies.
- ✓ Companies whose pre-qualification applications are currently being processed.
- ✓ Non-pre-qualified companies, after completing the "**IDENTIFICATION OF THE COMPANY NOT YET PRE-QUALIFIED BY ALNAFT**" form available in the Appendix of the NDC : <https://www.alnaft.dz/wp-content/uploads/2026/04/Non-Disclosure-Commitment.docx>

However, pre-qualification remains mandatory for the submission of bids. No bid may be submitted or evaluated without a valid pre-qualification obtained from ALNAFT.

A.2. How to pre-qualify?

The procedures and conditions for pre-qualification are detailed via the following link: <https://www.alnaft.dz/prequalification-criteria-and-conditions/>

A.3. Can a subsidiary of an ALNAFT pre-qualified company participate in the Bid Round?

The subsidiary of a pre-qualified company is not considered pre-qualified by default. However, it may access the Bid Round process.

Furthermore, in the event of an award of a perimeter, the winning company may assign its rights and obligations to an affiliated entity (once pre-qualified). Such assignment can only take place after the signing of the contract.

A.4. Can the NDC be modified?

No. The Non-Disclosure Commitment (NDC) is a standard, non-negotiable document. It must be completed and signed as is, without any modifications, deletions, or additions of clauses.

Only the official version available for download at the link <https://www.alnaft.dz/wp-content/uploads/2026/04/Non-Disclosure-Commitment.docx>, completed and duly signed, will be accepted.

FAQ

A.5. What are the access conditions?

Access to Tender Documents & Data Rooms sessions is subject to the following steps:

- ✓ **Non-Disclosure Commitment (NDC):** The applicant must download the NDC template from the ALNAFT website. This document, duly completed and signed by the authorized representative, must be uploaded via the platform. *Link:* <https://www.alnaft.dz/wp-content/uploads/2026/04/Non-Disclosure-Commitment.docx>.
- ✓ **Power of Attorney (POA):** The applicant must also submit a document certifying the person designated as the authorized signatory.
- ✓ **Selection of Perimeters:** The applicant must select between 1 and 7 perimeters, according to their choice, via the platform.
- ✓ **Payment of Access Fees:** Once the applicant has selected one or more perimeters, they must pay the data access fees, in accordance with the current rates.

A.6. What are the access fees and how to pay them?

Access fees are set at **30,000 USD** (excluding taxes) for each perimeter. These fees must be paid to SLB as part of EXALT (the ALNAFT-SLB partnership).

The applied Tax is : A Value Added Tax (VAT) of **19%**

A.7. How should a consortium submit its tender offer 2026?

One consolidated tender offer should be submitted on behalf of the consortium. The submission shall include the following documents:

- One submission Letter (*duly signed by the signatory's power of attorney of each company*)
- One technical or Technico financial offer (*duly signed by the signatory's power of attorney of each company*)
- One draft of the Hydrocarbon Contract and its appendices, initialed on every page (*by the signatory's power of attorney of each company*)
- Valid Prequalification certificate & Access approval to Tender Document issued by the BR Committee for each company.

A.8. How to obtain more information?

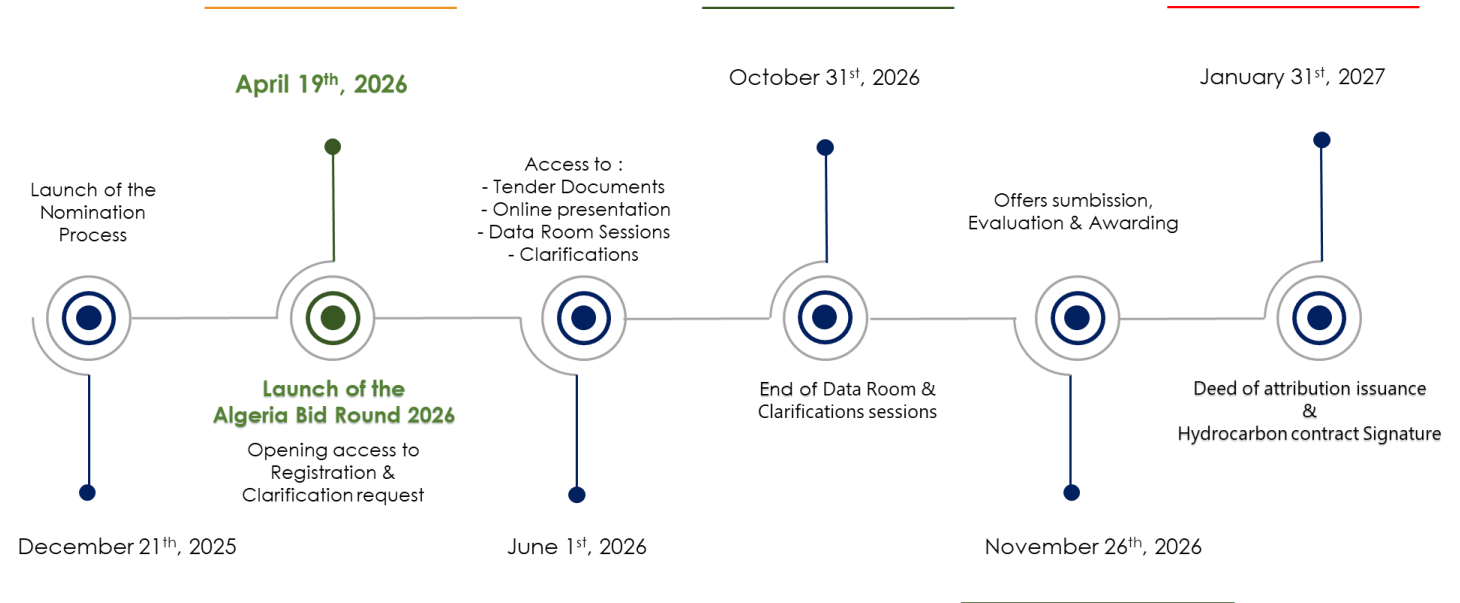

All details regarding the 2026 Bid Round can be found in the Guidelines at: <https://www.alnaft.dz/algeria-bid-round-2026/>

FAQ

B. Bid Round Timeline and Process:

B.1. What is the Bid Round 2026 Timeline?

B2. Is it possible to request access to perimeters after June 1st, 2026 ?

Yes. June 1st is the opening access date to the Tender Documents to the Companies that already completed the registration process. This is not a deadline for registrations, even for the Non-prequalified companies.
